Member/Student FFA.org Invite Codes

7/1/16

Providing members/students with their personal invite codes to sign into FFA.org just got easier.

New this year: Each chapter can provide a single invite code to students, in addition to the individual code provided in the past.

Simply access the "Chapter Invite Code" on your roster page, supply your unique code and let your students know!

Membership Roster

Chapter Invite Code

The chapter invitation code is for your members to register with FFA.org using one shared code. Individual invitation codes from the roster should be used if members encounter a problem during registration.

Invite Code

Note: Students must use their first and last name with this code during registration.
