

2015 OHIO FFA ANNUAL REPORT

Premier Leadership

Personal Growth

Career Success

I BELIEVE BY LEAH AMSTUTZ, OHIO FFA EXECUTIVE SECRETARY

I believe in the future of agriculture...This opening line of the FFA Creed is easily recognizable to the thousands of agricultural education students who have memorized it and recited it in the true belief that they can and will make a difference in their community and even the world. Although five paragraphs in length, the first line truly encapsulates the spirit of agricultural education and the FFA. While we honor our history and celebrate past accomplishments, we realize that our achievements of the past serve only as an indicator of our future possibilities. For those of us fortunate enough to be in this industry, it is clear to see the future of agriculture is bright because of those who wear the Blue Jackets.

This past year, Ohio FFA members have proven this once again by raising the bar and reaching great success. Among the many achievements from 2014-2015 the Ohio FFA Association:

- Reached a statewide membership of 24,799
- Boasted 803 State FFA Degree recipients
- Congratulated seven National Proficiency Winners in addition to 18 National Proficiency Finalists
- Enjoyed record-breaking attendance at the 87th Ohio FFA Convention.

Based on these successes, and the countless other unmentioned achievements, it is evident that the FFA and agricultural education have a bright future in Ohio. Congratulations Ohio FFA! Let's continue the tradition of Blue Jackets through leadership, growth and success.

Major renovations to the facility in 2014 included the addition of two new rooms (12' X 18') to the Conference center. These rooms will serve as additional storage for chairs, tables, etc. in order to allow more seating area in the main conference center room. Another major improvement to the camp was the installation of a new water filtration system and tankless hot water heater at the Retreat Center. The old main entrance gate was also renovated and a new arch was installed above it to welcome groups to camp.

Camp Muskingum continues to move forward on a capital campaign to build the new Muskingum Discovery Center. The new 7,500 square foot structure will be a tremendous asset to camp once it is constructed. To learn more about the Discovery Center or to donate to camp visit www.ffacamp.com or Camp Muskingum's Facebook page.

CAREER DEVELOPMENT EVENT WINNERS

For students who ask their teachers, “When will I ever use this in the real world?,” Career Development Events (CDEs) are the answer. FFA has worked to create CDEs that demonstrate the meaningful connections between classroom instruction and real-life scenarios. CDEs build on what is learned in agricultural classes and the FFA. The events are designed to help prepare students for careers in agriculture. Classroom instruction truly comes alive as students demonstrate their skills in a competitive setting.

Congratulations to all members who participated in a CDE in the 2014-2015 school year; your efforts will continue to reap benefits in the future. Here is a listing of all CDEs, along with the winning team and top-scoring individual. For a complete listing or for more information on Ohio’s Career Development Events, visit www.ohioffa.org or contact:
