OHIO FFA FOUNDATION

Welcome FFA supporters,

As we reflect back on this past year, we are excited about the many accomplishments of Ohio FFA is 25,000 members. Thanks to the generous support of our many donors, the Ohio FFA Foundation was able to provide more than \$30,000 in scholarships to graduating Ohio FFA members and 154 FFA jackets to first year members.

The Foundation thanks the agricultural community for their committed support of the youth and the vital impact they will have on our industry's future. The FFA depends upon strong partnerships with business and industry to thrive, with support we can continue to aid in the development of future leaders and strive to fulfill the mission. The Foundation continues to strive to support the mission "to make a positive difference in the lives of students by developing their potential for premier leadership, personal growth, and career success through agricultural education." We thank you for helping to ensure that the Ohio FFA will be continue our rich tradition of success and accomplishment.

As you read through this Annual Report, you will learn about many of the opportunities and achievements of our FFA members. We hope you are as proud of our Ohio FFA students as we are.

Thank you again!

Jessica Parrish
Executive Director

OHIO FFA ASSOCIATION

In 1917, Dudley Hughes and Hoke Smith made history when the United States Congress passed the Smith-Hughes Act, to provide Federal Funds to support the teaching of Agriculture, Home Economics and the Trades in public schools across America. The legislation included provisions for the training of teachers, supervision of this new type of education, and hands-on learning. As a result of this act, a cohesive national system of career and technical education was developed. 100 years later, career and technical education has continued to transform to meet the needs of our society, and it continues to advance its methods in preparing students to meet the demands of business and industry.

Ohio FFA plays an essential role in preparing career and technical education students to enter the workforce by providing programming that sharpens technical skill in agriculture, provides award recognition for experiential learning and ultimately prepares young people to become productive citizens and assume roles of leadership in their communities.

Ohio has a rich FFA history, and our contributions and achievements are recognized nationally. We are the home of the FFA Jacket and since 1928, Ohio leads the nation with 156 National Proficiency Winners and 33 National FFA Officers. Ohio has had a grand total of 7,282 students earn the American FFA Degree, which ranks in the top 5 of all states since 1928.

This past year, Ohio FFA members have once again raised the bar and reached great success. Among many of the achievements from 2016-2017 the Ohio FFA Association:

- **16 National FFA Proficiency Finalists and 4 National Winners**
- **American Star Farmer Finalist**
- **28 National 3 Star Chapters**
- **20 National Agriscience Fair Finalists and 2 National Winners**
- **345 American Degrees were presented**
- **Awarded 909 State FFA Degrees**
- **Broke a State FFA Convention Attendance Record**

It is evident the agricultural education and FFA program in Ohio isn't just surviving the times, but thriving and leading the charge in preparing current and future generations for careers in agriculture. Congratulations Ohio FFA! Let's continue the tradition of excellence, while constantly pursuing the mission of Premier Leadership, Personal Growth and Career Success.

Matthew Winkle, Assistant Director of Career Technical Education,
Ohio FFA Advisor

STARS OVER OHIO

OHIO'S STAR IN AGRISCIENCE

JACOB DENNIS | PETTISVILLE FFA CHAPTER

Jacob Dennis has been researching applying various products to soybeans to see how they effect yield and/or oil and protein content. With his findings he has participated in a study for The Ohio State University and presented at various science fairs. Jacob has participated in public speaking, parliamentary procedure, farm business management and agronomy. He is also a member of the National Honor Society. Jacob is the son of John and Susan Dennis, and his agricultural education teacher is Mr. John Poulson. His future plans include taking over the family farming operation. He is a senior at Pettisville FFA Chapter.

OHIO'S STAR IN AGRICULTURAL PLACEMENT

CLINTON LIMING | FELICITY FRANKLIN FFA CHAPTER

Clinton Liming is the son of Mark and Tricia Liming, and is a graduate of Felicity Franklin High School. Clinton's supervised agricultural experience consists of 3,403 hours of placement at Liming's Farm where he raises, corn, soybeans, beef, hay, and tobacco. In addition, he raises feeder pigs, market steers, and dairy beef feeders. Clinton has attended Washington Leadership Conference, Ohio FFA Camp and National FFA Convention. In addition to FFA, Clinton is involved in 4-H, the Clermont County Cattleman's Association, and his church youth group. He is currently a freshman at The Ohio State University-ATI. After earning his associate's degree, he plans to return to the family farm and continue in production agriculture. Clinton's advisors are Holly Jennings and Tanner Schoen.

OHIO'S STAR IN AGRIBUSINESS

HAYDEN DAVIS | RIDGEWOOD FFA CHAPTER

Hayden Davis has been raising turkeys and chickens for consumption for the last five years. He sells his poultry products through word of mouth, social media, and a local co-op. His project consists of 350 broilers and 50 turkeys. Hayden is the son of Jay and Sue Davis and Greg and Penny Mast, and his FFA advisors are Sue Davis and Logan Pyers. Aside from his poultry business, Hayden has participated in many FFA career development events including meat judging, agricultural mechanics, parliamentary procedure and poultry judging. In addition to FFA, Hayden is a member of his high school's marching band. After graduating, he plans to attend Ohio Technical College Powersports Institute in Cleveland to become a powersports mechanic.

OHIO'S STAR FARMER

NOLE GERFEN | RIDGEMONT FFA CHAPTER

Nole Gerfen, son of Steve and Kim Gerfen, is a sophomore in the Ridgemont FFA chapter where his advisor is Stephanie Jolliff. Nole has a diverse supervised agricultural experience project including hogs, sheep and cattle. He has managed to achieve an average of 12.4 piglets per litter, \$2.25 per pound for lambs, and 2 Southdown lambs per ewe. This past year, he produced enough pork to put a 3 ounce serving of protein on the plates of 34,156 people. When not working with his SAE, Nole serves as the student advisor for his FFA chapter, plays football, and participates in general livestock judging. He is also a member of the American Junior Shorthorn Association, Ohio Pork Producers, and serves as a Fuel Up to Play 60 Ambassador. After graduation, Nole plans to attend The Ohio State University majoring in Agricultural Engineering.

STATE FFA CONVENTION AWARDS

STATE FFA DEGREE RECIPIENTS

In 1920, the first group of State Farmers was composed of 19 young men. In 2017, 910 young men and women, representing 27% of the Ohio FFA membership, received the State FFA Degree. The State FFA Degree is the highest degree the Ohio FFA Association can bestow upon its membership. The golden charm, which each state degree recipient receives, is symbolic of growth and development in a FFA member's chosen occupation.

Ohio FFA FOUNDATION INC.

The Agricultural & Rural Community Outreach Program

The Agricultural and Rural Community Outreach Program was introduced in 2014. Local FFA chapters apply for the opportunity to receive grants to help fund community development projects. The Ohio FFA and the Ohio Department of Education jointly administer the program.

Local FFA Chapters submitted project proposals to the Ohio FFA Foundation and a committee then selected projects to receive grant funds ranging from \$750 to \$5000. The program was funded by a \$45,000 grant provided by the Ohio Department of Agriculture through the Ohio Rural Rehabilitation Fund.

Chapter Trust Fund Program

The Ohio FFA Foundation Chapter Trust Fund program offers an opportunity for each chapter to make a long-term investment to support future FFA member awards, scholarships, and leadership activities. The following chapters have each contributed \$1,000 to the Ohio FFA Foundation Endowment. We thank them for their commitment to the future of the Ohio's FFA.
