I believe in the future of agriculture...This opening line of the FFA Creed is easily recognizable to the thousands of agricultural education students who have memorized it and recited it in the true belief that they can and will make a difference in their community and even the world. Although five paragraphs in length, the first line truly encapsulates the spirit of agricultural education and the FFA. While we honor our history and celebrate past accomplishments, we realize that our achievements of the past serve only as an indicator of our future possibilities. For those of us fortunate enough to be in this industry, it is clear to see the future of agriculture is bright because of those who wear the Blue Jackets.

This past year, Ohio FFA members have proven this once again by raising the bar and reaching great success. Among the many achievements from 2013-2014 the Ohio FFA Association:

- Reached a statewide membership of 23,399
- Boasted 701 State FFA Degree recipients
- Congratulated 6 National Proficiency Winners in addition to 13 National Proficiency Finalists
- Enjoyed record-breaking attendance at the 86th Ohio FFA Convention.

Based on these successes, and the countless other unmentioned achievements, it is evident that the FFA and agricultural education have a bright future in Ohio. Congratulations Ohio FFA! Let’s continue the tradition of Blue Jackets through leadership, growth and success.

Blake has attended Washington Leadership Conference, served as chapter president, been a part of the state winning parliamentary procedure team and participated in the state soil judging contest. Outside of the FFA, he is a member of National Honor Society, 4-H and church youth group. Upon graduation, he plans to attend The Ohio State University to study agricultural business. His longterm goal is to return to the family farm and start his own feed business while continuing to work on the farm. Blake’s advisor is Matt Harline.

OHIO’S STAR IN AGRISCIENCE

CHRYSTA BECK | PETTISVILLE FFA CHAPTER
Chrysta Beck is the daughter of David and Beth Ann Beck and is a senior at Pettisville. Her project consists of four agriscience research projects, all based on improving the performance of commercial broiler flocks. She has completed 730 hours of research in four years. In FFA, she has attended Washington Leadership Conference, served as chapter treasurer and participated in the state and national agriscience fairs. Chrysta is also in Spanish Club, National Honor Society and the Super Stars Dance Company. She plans to attend Mississippi State with a major in poultry science and concentration in pre-veterinary studies. Her advisor is John Poulson.
STATE FFA DEGREE RECIPIENTS

In 1929, the first group of State Farmers was composed of 19 young men. In 2014, 701 young men and women, representing 23,399 of the Ohio FFA membership, received the State FFA Degree. The State FFA Degree is the highest degree the Ohio FFA Association can bestow upon its membership. The golden charm, which each state degree recipient receives, is symbolic of growth and development in a FFA member’s chosen occupation.

CAREER DEVELOPMENT EVENTS

For students who ask their teachers, “When will I ever use this in the real world?,” Career Development Events (CDEs) are the answer. FFA has worked to create CDEs that demonstrate the meaningful connections between classroom instruction and real-life scenarios. CDEs build on what is learned in agricultural classes and the FFA. The events are designed to help prepare students for careers in agriculture. Classroom instruction truly comes alive as students demonstrate their skills in a competitive setting.

Congratulations to all members who participated in a CDE in the 2013-2014 school year; your efforts will continue to reap benefits in the future. Here is a listing of all CDEs, along with the winning team and top-scoring individual. For a complete listing or for more information on Ohio's Career Development Events, visit www.ohioffa.org or contact:
