FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

Matthew Winkle
ASSISTANT DIRECTOR, CAREER TECHNICAL EDUCATION
ADVISOR, OHIO FFA ASSOCIATION

FFA is a dynamic youth organization that changes lives and prepares members for premier leadership, personal growth and career success through agricultural education.

Through hands-on practices such as Career Development Events and Supervised Agricultural Experiences, FFA members develop their potential while discovering their talents. Ohio FFA provides opportunities for more than 25,000 FFA members to explore their interests in a broad range of agricultural career pathways. This organization plays an essential role in preparing agricultural education students in our state to enter the workforce equipped with practical life and leadership skills that will serve them for years to come.

As disclosed in the following pages, Ohio FFA members have once again raised the bar and continue to reach great achievements. It is evident that FFA, agricultural education, and our members and students have a bright future in Ohio.

Thank you,
Matt

Jessica Parrish
EXECUTIVE DIRECTOR
OHIO FFA FOUNDATION

Each year our annual report highlights and celebrates the many accomplishments of Ohio FFA members. Ohio is proud to be home of some of the most talented students in the country. The success of our students on the national level is unparalleled. These accomplishments are possible because of generous supporters like you. Without our industry partners, students wouldn't have these tremendous opportunities available to them.

The Ohio FFA Foundation is extremely grateful to Ohio's agricultural community for your continued support of youth and the impact they will have on the future of agriculture. The Foundation depends on strong supporters to thrive. With your support we can continue to aid in the development of future leaders and industry professionals.

Thank you for playing a vital role in ensuring the Ohio FFA will continue a rich tradition of success.

Thank you,
Jessica

OHIO FFA CAMP MUSKINGUM REPORT

2018 was another very successful year of Ohio FFA Camp Muskingum. Located in Carroll County, on the banks of Leesville Lake, Camp Muskingum has been offering unique outdoor experiences since 1942. The lake, hillside and forests offer prime opportunities for aquatic and nature studies. Ohio FFA Camp Muskingum also offers fishing, hiking, boating, swimming, and both low and high ropes courses. For up-to-date information on FFA Camp visit www.ffacamp.com, and be sure to like Ohio FFA Camp Muskingum on Facebook. Below is a rundown of the statistical successes for 2018:

TOTAL NUMBER OF INDIVIDUALS SERVED:

- 12,318 (Up 707)

TOTAL CAMPER DAYS:

- 23,998.00 (Down 115.84)

PERCENT OF CAMPER DAYS PER PROGRAM:

- Outside Groups - 45.22%
- Nature's Classroom - 32.12%
- FFA - 22.66%

TOTAL NUMBER OF GROUPS SERVED:

- 169 (A decrease of 5)

TOTAL NUMBER OF FFA MEMBERS AT SUMMER CAMP:

- 1,032 (A decrease of 29)

TOTAL NUMBER OF FFA MEMBERS AT FALL CAMP:

- 589 (An increase of 118)

FFA CHAPTERS ATTENDING SUMMER CAMP:

- 157 (A decrease of 1)

PERCENT OF SCHOOL DISTRICTS PARTICIPATING IN A CAMP PROGRAM:

- 51.5%

PERCENT OF FFA MEMBERS ATTENDING SUMMER CAMP:

- 4.1%

PERCENT OF FFA MEMBERS ATTENDING SUMMER AND FALL:

- 6.4%

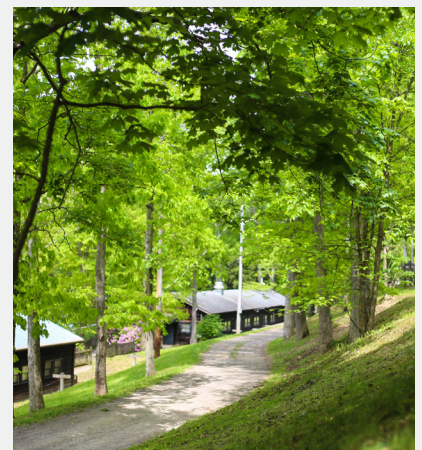

PERCENT OF AG TEACHERS ATTENDING SUMMER CAMP:

- 22.0%

MAJOR RENOVATIONS TO THE FACILITY IN 2018 INCLUDED:

- Updated Adventure Valley
- Updated the floor heat and hot water system in Visitor's Lodge
- Grounded and polished the downstairs floor in the Muskingum Discovery Center
- Finished construction of the new High Ropes Course
- Finished porch ceilings on upper and lower porches at the Dining Hall
- Installed the Donation Tree/Wall of Appreciation in the Muskingum Discovery Center
- Updated electrical service in Resident #1
- Installed retaining wall behind the Conference Center
- Installed waterline from Nurses Station to Dorm #1
- Added Nitro Crossing, 3D Whale Watch, Kings Finger and Ants-on-a-Log in Adventure Valley
- Landscaped the flag pole
- Installed a new weather station
- Installed welded pipe to the sprinkler heads at the wastewater treatment facility.

RYAN MATTHEWS 2017-2018 STATE PRESIDENT

Ryan Matthews, 2017-2018 State FFA President and former member of the Fairfield FFA chapter, represented Ohio as a National FFA Officer candidate at the 91st National FFA Convention & Expo held in Indianapolis, Indiana.

“FFA showed me that I can make an impact. As a state officer, I realized exactly where I wanted to go in my career path. Thank you, Ohio FFA. Thank you, ag teachers and FFA members. You showed me I could be somebody nobody thought I could be.”

Pictured: Various state officers with Donald J. Trump, the 45th President of the United States. President Trump met with these FFA members, including Ohio's Kolesen McCoy (second from right), while attending and speaking at the last session of the 91st National FFA Convention & Expo. Over the years, it has become tradition for the National FFA Organization to extend an invitation to the current U.S. president to give remarks to members at the event.

NATIONAL CAREER DEVELOPMENT EVENT WINNER

FOOD SCIENCE & TECHNOLOGY

BIG WALNUT-DACC FFA

Four years ago, four young FFA members at Big Walnut High School decided to give the Food Science and Technology Career Development Event (CDE) a try. Faye Dean, Ben Kessler, Lex Marvin and Alex Parsio were interested in the CDE to get involved and to make friends, but there was one reason that was more tempting than the rest.

“Mr. Stimmell said there was going to be food,” said Parsio with a laugh.

Though it’s what originally caught their interest, in the end, these members have taken away much more than just an affinity for food.

Dean, Kessler, Marvin and Parsio said they barely knew each other before, but now, after competing in the Food Science and Technology CDE together over the past four years, they compare themselves to siblings.

The Food Science and Technology CDE requires students to have an in-depth understanding of food product development, food presentation and food safety issues. FFA members also use their sensory skills to solve problems and make sound decisions. Participants cover various topics such as calorie calculations, allergens, enzymes, Food and Drug Administration violations and much more.

“I think more than any other contest, [the Food Science and Technology CDE] directly impacts us because it’s about food – and we eat at least three times a day, if not more. It’s been really helpful for educating ourselves about the food we eat,” said Marvin.

After much hard work and dedication, the team exceeded their expectations. At the 91st National FFA Convention & Expo in Indianapolis, the team finished as the top Food Science and Technology CDE team in the nation – the first team from Ohio to do so. Individually, Marvin placed first and Parsio placed second. Kessler finished as a Gold Emblem individual and Dean finished as a Silver Emblem Individual.

“In addition to the sentimental feelings of seeing them become contributing members of society, I have been so fortunate to witness a growth in soft skills from this team,” said their advisor, Jeffrey Stimmell. “They have learned to work together as a team, problem solve and overcome adversity. I am so proud to be their advisor, not because of the awards they have won, but because of the amazing humans they are.”

Pictured from left to right: Jeffrey Stimmell, advisor of Big Walnut-DACC FFA; Dr. Mary Kay Pohlschneider, team coach; Alex Parsio; Ben Kessler; Lex Marvin; Faye Dean and sponsors of national Food Science and Technology CDE, Kellogg Company, Kerry Taste and Nutrition, and U.S. Poultry & Egg Association

“I didn’t have many friends,” said Dean, 2018-2019 president of the Big Walnut-DACC FFA chapter. Her mother encouraged her to get involved in FFA to form relationships with her peers. “I’m so glad I did,” said Dean.

Marvin has also found many benefits during his time in FFA.

“FFA was the first organization where I felt, ‘This is where I belong. This is where I want to stay,’” said Marvin. “All of my accomplishments started to grow out of this organization. It was just my place to be.”

After placing as the second overall individual at the state level, Parsio received a scholarship. After his experiences competing in this CDE, he plans to attend The Ohio State University at Newark with a dual major in food science and technology and agricultural engineering with hopes to pursue an ag engineering career in the food industry.

“Showing students who compete in this event the career options they have is extremely beneficial for their futures. Students can see a direct connection to higher education and careers by the time they finish their formal schooling,” said Stimmell.

Since she was a child, Dean has wanted to pursue a career in psychiatry, and she plans to utilize the many skills learned through FFA such as team building, leadership skills, study skills and delegating to name a few.

“Everything has come full circle. It’s such a happy ending. I’ve learned so much, and I’ve met so many amazing people,” said Dean. •

AMERICAN FFA DEGREE RECIPIENTS

The American FFA Degree is the highest honor that can be achieved as an FFA member. This final step in the FFA Degree system encourages students to grow, achieve and establish themselves in an agricultural career. At the 2018 National FFA Convention & Expo, 434 Ohio FFA members received this honor.

OHIO FFA FOUNDATION PROGRAMS

The Ohio FFA Foundation is a cooperative effort among education, business and industry to support and inspire Ohio's 25,000+ FFA members. Since its beginning, the Ohio FFA Foundation has been continuously committed to providing valuable opportunities for members across the state through leadership events, programs and award recognition. Below, learn more about just a few of the programs provided through the Ohio FFA Foundation and made possible by its generous supporters.

OHIO
FFA FOUNDATION

BLUE JACKETS BY BECK'S

Having an FFA jacket opens doors for students by allowing them to participate in competitions, conferences and events. Through these programs our members learn life skills that will serve them for years to come. With the help of Beck's Hybrids, their dealer network and other generous individuals, from 2017-2019, the Ohio FFA Foundation provided 439 FFA jackets to first-year members.

SUNRISE COOPERATIVE TRUCK

At the 91st Ohio FFA Convention, Sunrise Cooperative announced an exciting partnership. Sunrise presented a truck to the State FFA President to drive during the year of service. At the following convention, the truck will be presented as a signing bonus to a high school senior and active FFA member who has been hired to work full time for Sunrise Cooperative immediately after graduation.

GOLDEN OWL AWARD

Presented by Nationwide, Ohio Farm Bureau and Ohio FFA, the Golden Owl Award recognizes Ohio's agricultural educators for their outstanding contributions in helping prepare the next generation of young people for successful careers in agriculture. In the program's inaugural year, 2019, John Poulson, Pettisville High School, was selected as Ohio's Agricultural Educator of the Year.

TEACH AGRICULTURE OHIO

Through the support of Teach Ag Ohio, Ohio Corn & Wheat is ensuring the future of agricultural education is vibrant. This initiative focuses on the recruitment and retention of agricultural educators in our state while providing professional development opportunities and real-life learning experiences for students interested in pursuing agricultural education as a career.

91ST OHIO FFA CONVENTION MAY 2-3, 2019 | COLUMBUS, OHIO

Each spring, Ohio FFA members, advisors, parents and guests gather in Columbus to celebrate the accomplishments of Ohio FFA and its members over the past year, be inspired by session speakers and connect with industry professionals. In 2019, the Ohio FFA Convention reached a record-breaking attendance of 9,050.

LINDEN-MCKINLEY
STEM ACADEMY

STAR STATE FFA DEGREE RECIPIENTS

SPONSORED BY: FARM CREDIT MID-AMERICA

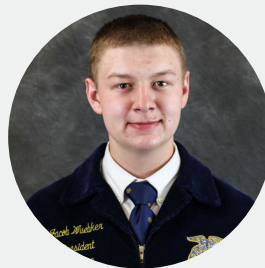

OHIO'S STAR IN AGRISCIENCE

CODY CLARK
ZANE TRACE

Cody Clark, son of Jason and Lisa Clark, is a senior at the Zane Trace FFA Chapter. Over the course of three years, he studied soil nitrate levels in soybeans and corn, compared seed coatings he created from natural adhesives to commercial coatings, tested nematicide-coated soybeans on plant growth, and tested the abilities of earthworms in preventing nematode infestations. After graduation, Cody plans on attending Wright State University for Biomedical Engineering. His advisors are Jennifer Johnston and Aaron Miller.

OHIO'S STAR IN AGRICULTURAL PLACEMENT

JACOB WUEBKER
VERSAILLES

Jacob Wuebker is a senior of the Versailles FFA Chapter where he is advised by Dena Wuebker and Taylor Bergman. He has worked hard at Wuebker Farms, where he cares for 2,000 breeding sows, 3,000 head of finisher pigs, 200 dairy steers, and 2,000 acres of corn, soybeans, wheat, and alfalfa. Jacob plans on attending Wright State University Lake Campus in the fall majoring in Agricultural Business. His parents are Jeff and Dena Wuebker.

OHIO'S STAR IN AGRIBUSINESS

MADISON WHITT
RIDGEWOOD

Madison Whitt is a recent graduate of the Ridgewood FFA chapter where she is advised by Sue Davis and Logan Pyers. She operates her own horse therapy business where she uses a Magna Wave machine to assist in healing processes. She also owns and operates Whitt Performance Horses. She plans to continue her studies at The Ohio State University Agricultural Technical Institute in order to earn a degree in equine science. Her parents are Gary and Dianna Whitt.

OHIO'S STAR FARMER

MONTGOMERY BOES
UPPER SANDUSKY

Montgomery Boes, from the Upper Sandusky FFA Chapter, is the son of Kevin and Tina Boes. In his work, he bales 18 acres of alfalfa hay and 38 acres of timothy hay as well as custom baling hay and straw for local farmers. He also works on his family's dairy farm and manages 54 acres of corn, soybeans, and wheat. He also spent time as an intern at the Wyandot County Soil and Water District Office. Montgomery plans to continue to work on the family farm and expand his forage and row crop operations.

“CDEs are a pathway to career readiness for any FFA member. We learn concepts of leadership and agriculture during these contests that show us what a successful job in the industry might include. Having a strong work ethic is needed to do well in CDEs – just like it is needed to be exceptional in our future careers.”

**Tyler Zimpfer, Anna FFA
2018-19 State Vice President At Large**

LIVING TO SERVE PLAN LEADS TO LIVESTOCK SHOW FOR INDIVIDUALS WITH DEVELOPMENTAL DISABILITIES

KYLIE RAMIREZ, WEST HOLMES FFA

Ohio FFA and the National FFA Organization embrace the idea of building stronger communities. The last line of the FFA motto, “Living to Serve,” signifies the vital role service plays in the organization.

For more than fifty years, FFA members from across the country have gathered in Washington, D.C., in the summer to evaluate their personal skills and interests and develop leadership talent. The Washington Leadership Conference (WLC) curriculum helps students take the steps to become an engaged citizen who can make a measurable, positive difference in their communities through the creation of Living to Serve plans.

Kylie Ramirez, a member of the West Holmes FFA chapter, attended WLC in the summer of 2018. Inspired by her experience there, she started working on her Living to Serve plan in the hotel room between conference sessions.

Ramirez came to the conclusion that the goals she outlined in her plan could be implemented by creating and organizing a livestock show for individuals with developmental disabilities. She knew that people like her brother, Ryan, would enjoy the chance to work with animals.

“Kylie is a determined individual. She’s a dreamer. She wants to help people and serve people. She’s passionate about everything she’s involved in,” said her FFA advisor, Jamie Chenevey. “She kept saying ‘I want to,’ and I kept saying ‘Then do it.’”

Ramirez pitched the idea of the show to the Holmes County Fair Board where she received unanimous support. Through her agricultural business class at school, Ramirez’s plan began to come to fruition. She created volunteer and registration forms as well as marketing and advertising pieces. She also recruited participants and promoted the event to students at various surrounding schools.

With the help of community volunteers; her family, fellow FFA chapter members; and her advisor, she held the first “Be You Livestock Show” at the 2019 Holmes County Fair in

Pictured: Kylie Ramirez

Millersburg, Ohio. The show’s name is derived from the phrase “If you believe in yourself, anything is possible” – a phrase that Ramirez said has pushed her to do everything she’s accomplished so far.

Partnered with an FFA member or community volunteer, nine participants, ranging in ages from 6-36, showed market rabbits, Boer goats, pygmy goats and/or market hogs in this unique, hands-on opportunity to learn more about agriculture.

Fellow FFA members and other volunteers also hosted participants at practice sessions leading up to the show. On the day of, they served as judges and cheered on the exhibitors.

Macin Hager, was one of those FFA members who hosted a practice over the summer. He also served as the judge for the Boer goats.

“Everyone’s a winner at this show. The participants are just so happy, and being a judge is just amazing,” said Hager. “This show makes me smile every time I think about it. I’m just glad to be a part of this.”

On show day, the bleachers surrounding the show ring were full; Spectators had come from not only Holmes County, but also across Ohio to express their support for the exhibitors and the event. Ramirez ended up raising close to \$4,000 – providing funds for the show to take place in future years as well.

“FFA was what got this started. This show was a great experience for the participants, and I built friendships that I never would have without it,” said Ramirez. “I hope members might put more time into FFA because they saw the impact this show made in others’ lives.” •

STATE FFA DEGREE RECIPIENTS

SPONSORED BY: FARM CREDIT MID-AMERICA

In 1920, the first group of State Farmers was composed of 19 young men. In 2019, 935 young men and women earned their State FFA Degree. The State FFA Degree is the highest degree the Ohio FFA Association can bestow upon its membership. The golden charm, which each degree recipient receives, is symbolic of growth and development in an FFA member's chosen occupation.

AGRICULTURAL & RURAL COMMUNITY OUTREACH PROGRAM

SPONSORED BY: OHIO DEPARTMENT OF AGRICULTURE

The Agricultural & Rural Community Outreach Program was introduced in 2014. Ohio FFA chapters apply for the opportunity to receive grants to help fund community development projects. Ohio FFA and the Ohio Department of Education jointly administer the program.

FFA Chapters submitted project proposals to the Ohio FFA Foundation, and a committee selected projects to receive grant funds ranging from \$1,000 to \$5,000. The program was funded by a \$45,000 grant provided by the Ohio Department of Agriculture through the Ohio Rural Rehabilitation Fund.

Agricultural Safety & Awareness Advocacy

"FFA has given not only me the chance to grow as a person, but also other members. My last year being a part of this organization has arrived and there is still so much I wish to do. Joining FFA will always be one of the best decisions of my life. Thank you to all of those who have made the choice to join FFA available to myself, as well as other students."

Lauren Swartz
Anthony Wayne-Penta FFA

THANK YOU.
