## LETTERS FROM OHIO FFA LEADERSHIP

Ohio FFA Members & Supporters,

For many decades, the Ohio FFA Association has provided students with the tools they will need to achieve great success both in and out of the classroom – and in life. Due to the COVID-19 pandemic, our program delivery models needed to shift drastically in 2020, but we did not waiver

from our core mission. With every program, no matter the format, we continued to focus on how we can develop a student's potential for premier leadership, personal growth and career success.

In the 2019–2020 year, there were some exciting celebrations on both the state and national levels. In 2019, the National FFA Organization celebrated 50 years of women in FFA and also reached a membership milestone of more than 700,000 members. At the 92nd National FFA Convention, Kolesen McCoy, 2018–2019 Ohio FFA President, was elected to serve as the National FFA President – only the third member in Ohio history to do so. These historic milestones are a part of our story. In the following pages, you'll find even more of Ohio FFA members' great accomplishments.

While there were challenges we had to overcome, I am still proud of the outstanding work of our members, teachers and supporters. Together, we will continue to work toward the FFA's vision of developing the next generation of leaders who will change the world.

Thank you,  
Matt Winkle

Matthew Winkle  
ASSOCIATE DIRECTOR, CAREER TECHNICAL EDUCATION  
ADVISOR, OHIO FFA ASSOCIATION

Friends,

I believe every organization, in every industry, would report that 2020 was unprecedented and challenging. The Ohio FFA is no exception. When we had to cancel the 92<sup>nd</sup> Ohio FFA Convention in the spring, we couldn't have imagined what our programs and classrooms would look like in the fall. This year, every local school district and agricultural education classroom is unique in their learning environment structure.

Like our local chapters, Ohio FFA has also had to transition many of our events and programs to virtual offerings. 2020 has not been filled with the traditional FFA events we have come to appreciate. But we are working hard to ensure there are still exceptional programs for our students.

The Ohio FFA Foundation can only continue to fund these programs and experiences with the help of people like you. Our industry and community partners play a vital role in the stability and quality of agricultural education. Thank you for continuing to be a supporter of agricultural education even as we face some uncertainty.

Sincerely,  
Jessica Parrish

OHIO FFA FOUNDATION

# Five reasons why you should **SUPPORT OHIO FFA.**

## **We are continuing the tradition of agricultural education.**

Since 1928, student success has remained the primary mission of FFA. Today, FFA is the top school-based youth leadership development organization in the country – and in Ohio, we are more than 25,000 members strong.

## **We are helping students prepare for successful futures.**

FFA helps students find their place to belong. Whether they want to work on a farm or in an office, laboratory, field, or classroom, the FFA prepares its members to pursue a future in Ohio agriculture.

## **We are helping students become the best versions of themselves.**

We fortify classroom learning, empowering a more courageous sense of self in our students because we believe that a young mind is the most fertile ground for growing a better world.

## **We are cultivating the next generation of leaders in agriculture.**

FFA provides opportunities for members to lead and demonstrate literacy, advocacy, and technical skills in agriculture, food, and natural resources through contests, conferences, conventions and community service projects.

## **We are transforming the lives of middle and high school students.**

Through a unique combination of classroom curriculum, experiential work-based learning and, leadership and life skills, FFA provides young people with a community of support and opens up a world of opportunities.

# KOLESEN MCCOY SERVES AS 2019-2020 NATIONAL FFA PRESIDENT

Each year at the National FFA Convention & Expo, six students are elected by delegates to represent the organization as national officers. Delegates elect a president, secretary, and vice presidents representing the central, southern, eastern, and western regions of the country.

Kolesen McCoy was elected as the National FFA President at the 92<sup>nd</sup> National FFA Convention & Expo, which took place during Oct. 30-Nov. 2, 2019.

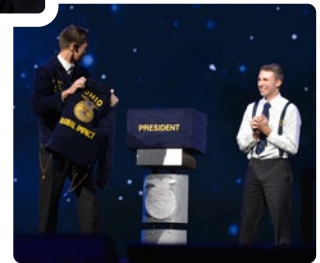

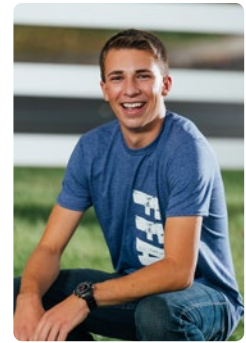

McCoy is a former member of the Global Impact STEM Academy FFA Chapter in Springfield, Ohio. He first served the Ohio FFA Association as State Secretary in 2017-18, then State President in 2018-19.

The National FFA Organization reaches from the state of Alaska to the Virgin Islands and from the state of Maine to Hawaii. As president, McCoy led the organization's more than 700,000 student members for the 2019-20 year through unique, unforeseen circumstances, such as the COVID-19 pandemic.

During the year of service, McCoy, along with the rest of the National FFA Officer Team, led personal growth and leadership training conferences for FFA members throughout the country and helped set policies that will guide the future of FFA and promote agricultural literacy.

Typically, each officer travels more than 100,000 national and international miles to interact with business and industry leaders; thousands of FFA members and teachers; corporate sponsors; government and education officials; state FFA leaders; the general public; and more.

A few months into his term, due to the COVID-19 pandemic, McCoy's year of service took a sharp turn. However, McCoy and his teammates successfully adapted to a virtual delivery format and were able to

remain heavily involved and continued to visit with stakeholder groups remotely.

McCoy is the 34<sup>th</sup> National FFA Officer from Ohio, the state with the most in the nation. Of those 34 individuals, he is the third Ohio member to serve as National FFA President. He joins Bobby Jones, Radnor, who served as National FFA President in 1933-34 and Mark Sanborn, Grand Valley, who represented Ohio in 1978-79.

McCoy is currently studying agribusiness and applied economics at The Ohio State University.

**“I could not be more thankful** to be a part of an organization that unites students with such diverse backgrounds. I’m grateful for the opportunities FFA presented to me, the friends it gave me and the family and community it offered me.”

*Kolesen McCoy*

# 92<sup>ND</sup> NATIONAL FFA CONVENTION

At the National FFA Convention & Expo, members celebrate their accomplishments and find inspiration for their next steps. The 92<sup>nd</sup> National FFA Convention & Expo took place Oct.30-Nov. 2, 2019, in Indianapolis, Indiana. This year, our state had the most finalists in Ohio FFA history.

# MIAMI EAST-MVCTC FFA MEMBER HIRED FOR FULL-TIME POSITION WITH SUNRISE COOPERATIVE

In the spring of 2019, Sunrise Cooperative, a leading agricultural and energy cooperative located in Ohio, announced an exciting partnership with Ohio FFA. Sunrise presented a brand new Chevrolet Colorado to the 2019-2020 Ohio FFA President to drive throughout their year of service. After the president's term ended, the vehicle would be given as a signing bonus to an FFA member who was hired to work for Sunrise Cooperative full-time after graduation.

"Times are different today. College is a wonderful thing, but sometimes it's not for everyone. That's why we created this FFA RISE program with the truck. It gives the students right out of high school an incentive to not only work for us, but also get their feet wet in the agriculture industry," said George D. Secor, President/CEO Sunrise Cooperative. "The FFA RISE

program is a way to actively invest in our future leaders. Together with Ohio FFA and this program, we can grow success."

The new Sunrise Cooperative employee and truck recipient was announced on May 8 during the online 2020 Ohio FFA Celebration. Ethin Bendickson from the Miami East-MVCTC FFA Chapter was hired after completing a job application and participating in an interview process.

The full-time position is a four-year commitment in which Bendickson will rotate through different divisions of the company for the first two years. For the remainder of his commitment, Bendickson will be placed in a position based on his own interest and skill.

"I'm excited to see the ins and outs of every aspect of agriculture," said Bendickson, son of Derick and Kristin Bendickson of Troy, Ohio.

*Pictured: Members of the 2019-20 state officer team and George Secor, President/CEO of Sunrise Cooperative with the truck Bendickson received as a signing bonus.*

Bendickson began working for the cooperative in spring 2020 where, at the time, he was working in progressive crop technology sector processing received orders.

"It's been an amazing experience so far, and I'm really looking forward to the next four years at Sunrise."

## 2020 OHIO FFA CELEBRATION

Although we were not able to gather together for the 92<sup>nd</sup> Ohio FFA Convention due to the COVID-19 outbreak, Ohio FFA recognized members and commemorated another year of student success via social media channels during the 2020 Ohio FFA Celebration, May 4-8. Through Ohio FFA's Facebook, Instagram, Twitter and YouTube accounts, individuals were able to follow along remotely with videos and posts highlighting members' accomplishments throughout the week. Despite limitations brought on by COVID-19, FFA members, their friends and family, and community and industry supporters were able to virtually applaud Ohio FFA members for their hard work during the 2019-2020 year.

Visit the Ohio FFA YouTube Channel at [youtube.com/OhioFFA](https://youtube.com/OhioFFA) to watch the complete 2020 Ohio FFA Celebration video playlist.

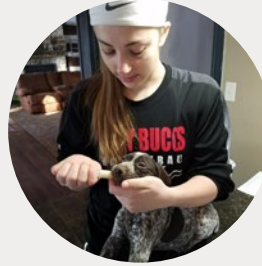

## OHIO'S STAR IN AGRISCIENCE

JESSICA MCWATTERS  
PETTISVILLE

Jessica McWatters is a 2020 senior of the Pettisville FFA Chapter where her advisor is John Poulson. Over the past five years, Jessica has logged over 450 hours of work in her agriscience projects. She has studied the absorbency of livestock bedding, surveyed the knowledge and understanding of dairy drinks in female athletes, researched the impact of antibiotics in bovine respiratory disease and studied the impact of cryptosporidium in calf health. Upon graduation, she plans to study biology at Huntington University. Her parents are Tom and Angie McWatters.

## OHIO'S STAR IN AGRIBUSINESS

MORGAN KIMMEL  
COVINGTON-UVCC

Morgan Kimmel is a 2020 senior from the Covington-UVCC FFA Chapter where her advisor is Jessica Helsinger. Morgan is the daughter of Ray and Stephanie Kimmel. Her SAE involved breeding and raising German Shorthaired Pointers. She has 10 breeding females and two studs. She makes breeding decisions based on what her customers desire and plans to continue to grow this business in the future by adding quality animals and reaching a broader clientele. Morgan will be pursuing a business degree to assist in achieving this.

## OHIO'S STAR IN AGRICULTURAL PLACEMENT

BRANDON FLEAK  
WESTFALL

Brandon Fleak is a 2020 senior at the Westfall FFA Chapter where his advisors are Rachel Scior and Megan Moorman. He began working for Fleak Brothers Drainage in 2016. Since then he has learned how to operate many types of machinery and, in the last four years, has worked over 2,000 hours. After graduation, Brandon will be employed full time and installing drainage and pipe and running machinery where his SAE began. Brandon hopes to own his own family business one day. His parents are Donald Fleak and Kelly Robinson.

## OHIO'S STAR FARMER

COLE MCKINLEY  
RIDGEMONT

Cole McKinley is a graduate of the Ridgemont FFA Chapter where his advisors were Stephanie Jolliff and Shelby Faulkner. His SAE consists of raising 67 Hampshire and crossbred ewes and three rams, 26 head of commercial feeder calves, and rabbits. This year, he has purchased three german-imported Netherland Dwarf rabbits to increase genetic vigor. He raised nearly 200 kittens while retaining 30 breed stock to continue his nationally-acclaimed rabbitry. Cole is attending Marion Technical College to obtain a bachelor's of science in nursing. Cole is the son of Bill and Shannon McKinley.

## STATE FFA DEGREE RECIPIENTS

SPONSORED BY: FARM CREDIT MID-AMERICA

In 1920, the first group of State Farmers was composed of 19 young men. In 2020, 957 young men and women earned their State FFA Degree. The State FFA Degree is the highest degree the Ohio FFA Association can bestow upon its membership. The golden charm, which each degree recipient receives, is symbolic of growth and development in an FFA member's chosen occupation.

**“In FFA, I learned that I should embrace the opportunities that are in front of me. I must welcome not only the joy of being surrounded by incredible people, but also the discomfort and uncertainty of stepping out of my comfort zone – and every other emotion that I feel. Years from now, this is what I will remember.”**

# AGRICULTURAL & RURAL COMMUNITY OUTREACH PROGRAM (ARCOP)

SPONSORED BY: OHIO DEPARTMENT OF AGRICULTURE

Each year, FFA chapters across Ohio apply for and are awarded grants designed to help their local communities. In partnership with the Ohio Department of Agriculture, the Agricultural & Rural Community Outreach Program (ARCOP) provides support to build sustainable relationships and programs that will benefit Ohio communities for years to come. Originally introduced in 2013, ARCOP grants allow FFA chapters to apply for funding projects that cover agricultural topics varying from educational programs to awareness and promotion to economic development – often leaving long-term impacts in the community.

FFA Chapters submitted project proposals to the Ohio FFA Foundation, and a committee selected projects to receive grant funds ranging from \$1,000 to \$5,000. The program was funded by a grant from the Ohio Department of Agriculture through the Ohio Rural Rehabilitation Fund.

## GROWING KNOWLEDGE THROUGH GROWING FOOD

The Spencerville FFA Chapter focused on increasing local elementary students' knowledge of plant production and how plants are produced locally from seed to sellable product.

The chapter built two raised beds with 200 square feet of growing space at their K-12 building. Spencerville FFA plans to continually utilize the beds as a hands-on, experiential learning opportunity for

younger students. The raised beds also garnered interest from nearly a dozen community members who inquired about how to implement similar constructions on their own properties.

In addition, the chapter purchased portable hydroponic towers that can be moved from classroom to classroom. The towers were a highlight for plant science lessons and provided visual opportunities

for students to learn more about pH levels, seed germination, and nutrients necessary for plant growth.

## CHAPTER TRUST FUND PROGRAM

The Ohio FFA Foundation Chapter Trust Fund program offers an opportunity for each chapter to make a long-term investment to support future FFA member awards, scholarships and leadership activities. The following chapters have each contributed \$1,000 to the Ohio FFA Foundation Endowment. Thank you for your commitment to the future of Ohio FFA.

## ADDITIONAL OHIO FFA FOUNDATION PROGRAMS

The Ohio FFA Foundation is a cooperative effort among education, business and industry to support and inspire Ohio's 25,000+ FFA members. Since its beginning, the Ohio FFA Foundation has been continuously committed to providing valuable opportunities for members across the state through leadership events, programs and award recognition. Below, learn more about just a few of the programs provided through the Ohio FFA Foundation and made possible by its generous supporters.

**OHIO**  
**FFA FOUNDATION**

### TEACH AGRICULTURE OHIO

Through the support of Teach Ag Ohio, Ohio Corn & Wheat is ensuring the future of agricultural education is vibrant. This initiative focuses on the recruitment and retention of agricultural educators in our state while providing professional development opportunities and real-life learning experiences for students interested in pursuing agricultural education as a career.

### COMMUNITY CLUNKER CLEAN UP PROGRAM

Ohio FFA partnered with Ronald McDonald House Charities of Central Ohio (RMHC) and Telhio Credit Union to create a statewide Community Clunker Clean Up. FFA chapters worked to clean up their communities by removing and donating used vehicles and farm equipment to benefit RMHC. In the inaugural year, Felicity-Franklin FFA earned the \$10,000 prize.

### GOLDEN OWL AWARD

Presented by Nationwide, Ohio Farm Bureau and Ohio FFA, the Golden Owl Award recognizes Ohio's agricultural educators for their outstanding contributions in helping prepare the next generation of young people for successful careers in agriculture. In the award's second year, Christi Bachman, Bloom Carroll High School, was recognized as Ohio's Agricultural Educator of the Year.

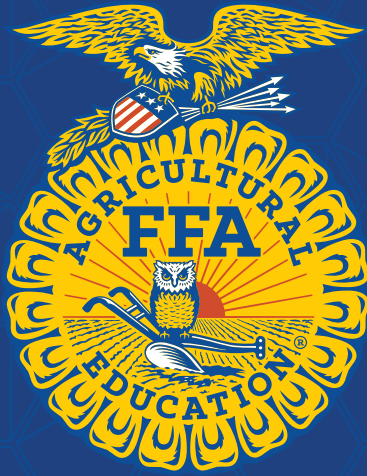

### BLUE JACKETS BY BECK'S

The FFA jacket opens doors for students by allowing them to participate in competitions, conferences and events. Through these experiences, members learn life skills that will serve them for years to come. With the help of Beck's Hybrids, their dealer network and other individuals, from 2017-2020, the Ohio FFA Foundation provided more than 630 jackets to first-year members.
