FFA makes a positive difference in the lives of students by developing their potential for premier leadership, personal growth and career success through agricultural education.

Dear Ohio FFA Members and Supporters,

In the FFA, we know that the best way to learn is to do. Through agricultural education and real-world application, our members are preparing for their future careers before they even graduate high school. Although the delivery of our programs and events looked different this

Matthew Winkle
ASSOCIATE DIRECTOR, CAREER-TECHNICAL EDUCATION
ADVISOR, OHIO FFA ASSOCIATION

year than they have traditionally due to the COVID-19 pandemic, our members and chapters continued to grow leaders, build communities, and strengthen agriculture in exceptional ways.

During the 2020-2021 year, we were able to host all our annual events in a virtual format. In fact, we were able to host new virtual events including the Energize Ohio FFA conference and the Chapter Presidents' Summit: Creating a Culture of Inclusion. Additionally, participation in several career development events (CDEs) increased due to a virtual environment making CDEs more accessible to students than ever before. For our annual celebration of student success, we held the first virtual Ohio FFA Convention which was free of charge for all attendees thanks to the generous support of our many industry and community supporters.

I am proud of our members' and teachers' resiliency and creativity during such a unique year. While we faced challenges along the way, Ohio FFA members proved that nothing could stop them from developing their potential for premier leadership, personal growth, and career success.

Thank you, Matt Winkle

Dear Friends,

Thank you for your continued support and commitment to Ohio'syoung agriculturalists. The past few years have reminded us of the power of FFA programming. Historically, there has been something inherently powerful about thousands of corduroy jackets gathering together to celebrate student achievement in agriculture. While we weren't able to gather in-person this year, we were able to think outside the box and

Jessica Parrish
EXECUTIVE DIRECTOR
OHIO FFA FOUNDATION

bring students together in new and different ways. During these unique times the resilience of our young people was extraordinary.

While the structure around their classroom environment and FFA programming continued to evolve through the pandemic, they remained positive and persistent. Through this, they continued to prove that they are tomorrow's leaders in agriculture. Whether they want to work on a farm or in an office, laboratory, field, or classroom, the FFA and your support are preparing them for their future careers.

Throughout my career with the Ohio FFA Foundation, I have witnessed incredible commitment from so many industry supporters. No matter the challenges the industry or the world faces, you continue to prioritize the development of young agriculturalists. It is an honor to work with you to support today's FFA members.

In the following pages you'll see student success stories and highlights from our programs this past year. These accomplishments are only possible with your support. Thank you for helping develop the next generation of leaders who will change the world!

Best, Jessica Parrish

FFA CAMP MUSKINGUM REPORT

2020 was a unique year for Ohio FFA Camp Muskingum due to the pandemic. Located in Carroll County, on the banks of Leesville Lake. Camp Muskingum has been offering unique outdoor experiences since 1942. The lake. hillside and forests offer prime opportunities for aquatic and nature studies. Ohio FFA Camp Muskingum also offers fishing, hiking, boating, swimming, and both low and high ropes courses. For up-to-date information on FFA Camp visit www.ffacamp.com, and be sure to like Ohio FFA Camp Muskingum on Facebook. Below is a rundown of the statistics for 2020.

Total number of individuals served 2,338 (Down 9,292)

Total Camper Days

2,710.00 (Down 20,051.68)

Percent of Camper Days per Program:

Outside Groups – 87.6%

Nature's Classroom - 5.09%

FFA: 7.31%

Total number of groups served

76 (Down 87)

Total number of FFA members at summer camp

76 (Down 922)

Total number of FFA members at fall camp

0 (Down 569)

FFA Chapters attending summer camp

19 (Down 140)

Percent of school districts participating in a camp program

Percent of FFA members attending summer camp

Percent of FFA members attending summer and fall:

Percent of Ag. Teachers attending summer camp 3.0%

Major renovations to the facility in 2020

- Replacing the roofs on Dorm #1 and the Conference Center
- Painted the interior of Dorm #1
- Relined the sewer line behind the Dining Hall,
- Resealed the parking lot at the Muskingum Discovery Center and the Dining Hall

A LOOK BACK

GOING THE DISTANCE FOR AGRICULTURAL EDUCATION

The Ohio FFA Foundation held the first Ohio FFA Going the Distance Virtual 5K to assist agricultural education students and teachers during the 2020-21 school year.

Teachers and students faced extreme challenges during the COVID-19 pandemic. That's why funds raised through the 2020 Going the Distance Virtual 5K were given to chapters to purchase technology, subscriptions, materials, curriculum or other supplies needed for distance learning. The Ohio FFA Foundation awarded more than \$5,000 to nine agricultural education programs and fulfilled all of the requested grants.

With the grant funds her chapter received, Abby Campbell, agricultural educator at Fort Frye, purchased a laptop stand, ring light, cordless mouse and keyboard, presentation clicker, miniature laminator and sheets, organizer trays and a document camera. "All of these items are such a big help when it comes to teaching in the classroom during the COVID-19 pandemic. I am thankful to have access to this technology and supplies, so I can continue to teach my students to the best of my ability!"

SEPTEMBER

OCTOBER

LEARNING THE IMPORTANCE OF ADVOCACY

Through the virtual Ohio Legislative Leadership Conference, FFA members learned the importance of legislative advocacy. 340 students registered for this event.

OHIO MEMBER LEADS FIRST VIRTUAL NATIONAL FFA CONVENTION

Kolesen McCoy, Springfield, Ohio, and his teammates hosted the first virtual National FFA Convention & Expo Oct. 27-29, 2020. The convention's six general sessions were streamed live via the National FFA Organization's Facebook page and website, RFD-TV and other services.

McCoy was elected as the National FFA President at the 92nd National FFA Convention & Expo in 2019. He is a former member of the Global Impact FFA Chapter in Springfield, Ohio. He first served the Ohio FFA Association as State Secretary in 2017-18, then State President in 2018-19. McCoy is the 34th National FFA Officer from Ohio, the state with the most students serving in this capacity in the nation.

LEADERSHIP NIGHT SERIES UNITES MEMBERS VIRTUALLY

The Ohio FFA State Officer team led 20 virtual leadership nights for students all over Ohio. Through the workshop, FFA members were able to hone valuable leadership and employability skills.

PROVIDING BLUE JACKETS FOR FIRST-YEAR MEMBERS

The Ohio FFA Foundation awarded funds for chapters to purchase FFA jackets for first-year members. Students from across Ohio either applied or were nominated to be a part of the Blue Jackets program, sponsored by Beck's Hybrids.

Since 2016, Beck's Hybrids and the Ohio FFA Foundation have been committed to helping provide FFA jackets for first-year members. With the generosity shared from community supporters and the Beck's Hybrids dealer network, 191 FFA jackets were awarded in 2020 – the most provided in a single year. In total, the Ohio FFA Foundation has awarded more than 630 jackets since the program's inception.

NOVEMBER

DECEMBER

CREATING A CULTURE OF INCLUSION

The Ohio FFA Foundation and Ohio FFA Association hosted a new event in a virtual format for chapter leaders. Sponsored by the Nationwide Foundation, all chapter presidents in the state were invited to participate in the first-ever Ohio FFA Chapter Presidents' Summit: Creating a Culture of Inclusion.

Grace Forrest, Mechanicsburg, was one of nearly 50 students who joined the inaugural event. "The Chapter Presidents' Summit was amazing and represented the bond we share as FFA members. As chapter presidents, we all face similar circumstances. It was interesting to hear others' perspectives," said Forrest.

Justin Baum, Ross, also found the event to be valuable. "I am really grateful to have gotten the chance to experience this event, and I can't wait to use the skills that I learned to improve my chapter," said Baum.

During the conference, attendees were able to meet peers in similar leadership roles, identified their chapter culture and formed a strategy of how they can create a more inclusive environment in their respective schools. The 2020-2021 Ohio FFA Officer team facilitated the summit.

ENERGIZING OHIO FFA MEMBERS

Held in place of the traditional in-person leadership conferences, Energize Ohio FFA was a daylong leadership conference created for a virtual delivery model. Sponsored by Ohio Corn & Wheat, the event was facilitated by the state officer team and focused on motivating members in the midst of uncertain times. In order to connect with students remotely, the team utilized breakout rooms and other online tools to provide a more personal experience for members.

CELEBRATING NATIONAL FFA WEEK

National FFA Week is a time for members and chapters to celebrate, raise awareness of the FFA organization and advocate for agriculture in our communities and across the country. Members across Ohio and the country served their communities, connected with former members and shared their FFA pride.

JANUARY • FEBRUARY • MARCH

MORE THAN \$46,500 RAISED ON GIVE FFA DAY

On February 25, current and past FFA members and family, community supporters, businesses and organizations across the country celebrated Give FFA Day during National FFA Week.

In Ohio, gifts to the Ohio FFA Foundation went twice as far with a matching contribution from Sunrise Cooperative. In total, more than \$46,500 was raised for FFA and ag education.

The FFA's vision is to develop the next generation of leaders who will change the world. It's a vision that we don't take lightly, and we are proud to have an army of supporters in our state to help make this possible.

As designated by each donor, these funds supported various statewide programs including student awards, the recruitment and retention of current and future agricultural educators, Ohio FFA Camp, current and future state officer teams, and general Ohio FFA activities and initiatives.

FIRST VIRTUAL OHIO FFA CONVENTION HELD

The 93rd Ohio FFA Convention was unlike any other before it. This year, the annual convention was held virtually April 29-30. The event was free of charge to all viewers – whether they were a member, advisor, parent, sponsor or community supporter. This allowed thousands of people from across the state to cheer for Ohio FFA members and chapters remotely.

The 93rd Ohio FFA Convention's virtual format allowed for chapters to showcase their creativity and celebrate the end of the year in unique ways at the local level. Many FFA chapters gathered in classrooms, school gymnasiums and community buildings to not only stream the convention sessions, but also to recreate other convention elements on a smaller scale.

"We've learned a lot over this past year. It's safe to say that things don't always go as planned, but Ohio FFA has truly demonstrated what it means to lean into difficult times with a positive mindset. Instead of waiting for the world to change, Ohio FFA changed the world around them through their positivity," said Victoria Snyder, 2020-21 State Sentinel.

APRIL

MAY

JUNE

GEARING UP FOR FFA CAMP

Ohio FFA Camp Muskingum provides students with a retreat away from the world where they can set down their phones and engage with their peers. The quality facilities and programs provide students with opportunities to connect with nature while enhancing their teamwork and problem-solving skills. Thanks to AgCredit, ACA, 60 students from 12 chapters received scholarships to attend FFA Camp sessions.

CLEANING UP CLUNKERS

Ohio FFA Chapters collected 34 vehicle and/or equipment donations to benefit Ronald McDonald House Charities. Firelands FFA was awarded the \$10,000 grand prize, generously donated by Telhio Credit Union.

TEACHERS NEVER STOP LEARNING

The Ohio Association of Agricultural Educators, in partnership with Ohio FFA and the Ohio Department of Education Office of Career-Technical Education, hosted the annual Ohio Agricultural Education Summer Conference in Wooster, Ohio. More than 120 teachers participated in this professional development experience. Attendees broadened their knowledge in various pathways, met with agriculture and education industry professionals, and prepared for the upcoming school year.

Supporting Current and Future

AGRICULTURAL EDUCATORS

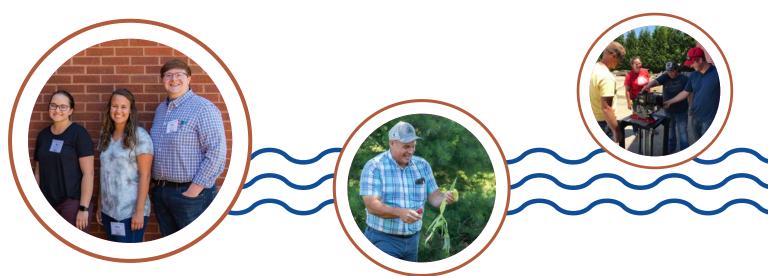

An agricultural educator is often the most influential person in helping FFA members grow. By partnering with Ohio Corn & Wheat and the Ohio Association of Agricultural Educators (OAAE), the Ohio FFA Foundation is providing professional development and experiential learning opportunities for both current teachers and college students pursuing agricultural education as their future career. We are working to make sure there are always knowledgeable, professional, and qualified prospects to teach our students. Recruiting and retaining Ohio's ag educators is one of the Ohio FFA Foundation's five focus areas.

During the school year, the Foundation held two virtual professional development events for pre-service teachers. College students from Central State University, The Ohio State University and Wilmington College, learned about creating an inclusive and equitable classroom and FFA chapter, the importance of good recordkeeping, and growing through professional organizations, such as OAAE.

A team of nine college students planning to become ag teachers, participated in a yearlong professional development experience as Ohio Teach Ag Ambassadors. These students met monthly and connected with multiple state staff members, industry professionals and current ag educators while preparing to enter the classroom after graduation.

"I've learned there is a huge support system beyond college, and that I have no reason to feel alone or afraid entering this profession. There are so many avenues to seek help and support," said Chloe Wilson, an agriscience education student at The Ohio State University and 2020-2021 Teach Ag Ambassador.

Also, Ohio FFA teamed up with Nationwide, Ohio Farm Bureau, Farm Credit Mid-America and AgCredit, ACA, to present the Golden Owl Award for the third year. This award program recognizes 10 agricultural educators across Ohio for their tremendous contributions to helping the next generation of agricultural leaders.

LET'S GIVE THESE MEMBERS A

ROUND OF APPLAUSE

These resilient students were just a few of many who demonstrated the best way to learn is to do.

93RD NATIONAL FFA CONVENTION

Due to COVID-19, the National FFA Organization held its first virtual National FFA Convention & Expo Oct. 27-29, 2021. Despite the non-traditional format, the event continued to celebrate award winners and finalists and American FFA Degree recipients, feature national officer retiring addresses, and include state delegate work – an FFA tradition since 1928. Student finalists awaiting award results were streamed live and recognized as the placings were announced. The convention was available for viewing on various platforms including RFD-TV and FFA.org.

CONGRATULATIONS, STAR STATE FFA DEGREE RECIPIE

OHIO'S STAR IN AGRIBUSINESS

Sponsored by : Farm Credit Mid-America

Riley Sweigart St. Marys

Riley Sweigart, son of Jeff and Kim Sweigart, is a graduate of St. Marys. Riley owns and operates Sweigart Custom Baling, where he has baled and sold more than 18,000 bales of straw. He employs high school students to assist with the labor and has purchased several pieces of equipment. He plans to continue working full time and take over the family farm in the next several years. Riley's advisor is Lucy Bambauer.

OHIO'S STAR IN
AGRICULTURAL PLACEMENT

Spansored by : Farm Credit Mid-America

Robbie Gray Western Brown Robbie Gray, son of Sabrina Eshelman and Ronald Gray, is a senior at Western Brown. Robbie started his SAE by mowing his grandmother's lawn. A year later, he became employed at Eyre Lawn Care as a lawn technician. In his third year, he is now a crew leader, managing a team of 3 employees and completing tasks that include mowing, weed eating, spraying, aerating, seeding, installing sod, drainage tile and performing equipment maintenance. He plans to attend Rutgers University to complete the Professional Golf Turf Management Certificate program and return to grow the business at Eyre Lawn Care. Robbie's advisor is Ryan Rosselot.

NTS

OHIO'S STAR IN AGRISCIENCE

Spansored by: Farm Credit Mid-America
Jacob Zajkowski
Anthony Wayne-Penta

Jacob Zajkowski, son of Chad and Amy Zajkowski, is a senior in the Anthony Wayne-Penta FFA Chapter. His Supervised Agricultural Experience consists of agriscience research projects on studies of hydroponics and sustainable greenhouse production. His research explores everything from consumer preference of hydroponic crops to the biofortification of Vitamin B12 in lettuce. After graduation, Jacob plans to attend Cornell University majoring in horticulture. His advisors are Courtney Bockbrader and Whitney Short.

OHIO'S STAR FARMER

Sponsored by Buckeye Advanced Ag
Timothy Stitzlein

Timothy Stitzlein
West Holmes

Timothy, son of Tim and Christie Stitzlein, is a graduate of West Holmes High School. He raises Holstein and Red Holstein dairy cows and heifers. He currently makes all health and management decisions for his 8 cows and 3 heifers. Timothy sells his milk at United Dairy in Martins Ferry and sells his bull calves at the Mount Hope Auction. He also works on his family's 600-head dairy operation and an additional 600-head dairy operation as a milker, feeder and equipment operator. His plan is to continue to grow the family dairy farm, with the plan to eventually add a new facility with robots and take over the business. Timothy's advisor is Jaime Chenevey.

Utilizing Employability Skills

AND KICKSTARTING CAREERS

The RISE FFA Career Program at Sunrise Cooperative was established in 2019 and is a partnership with the Ohio FFA. Yearly, Sunrise provides a pick-up truck for the newly elected Ohio FFA State President to drive during their tenure, along with a commitment to hire a recent graduate that was active with their FFA chapter and wants to enter the workforce right out of high school. The first recipient of a full-time position was Ethin Bendickson from the Miami East FFA Chapter. Most recently, Jacob Walters, a member of the Van Buren FFA Chapter, was honored as the second recipient of a truck and full-time position through the program.

"I am extremely humbled to be chosen as the recipient for the FFA Rise Program. I am so excited for this opportunity and for what the future holds," said Walters.

In addition to Walters, Sunrise Cooperative has announced eight additional team members as an extension of its RISE FFA Career Program. The new members of the Sunrise team are full-time employees and the inaugural class of Sunrise University – an expansion of the RISE FFA Career Program.

The inaugural class of Sunrise University includes Zach Allgyre, Seneca East FFA; Colton Boyer, Clear Fork FFA; Hannah Cleveland, Bellevue FFA; Brayden Cole, Lorain County JVS FFA; Shaun Hall, Shelby FFA; Eli Ott, Monroeville FFA; Dan Utz, Buckeye Central FFA; and Seth Wells, Miami East FFA. These new employees are 2021 graduates that were active with their FFA chapter and had a desire to enter the agriculture workforce following graduation.

"Our partnership with Ohio FFA has developed a great connection to the future leaders in ag," said George D. Secor, President/CEO of Sunrise. "We are not going to wait for new employees to find us; we need to develop our own. Through Sunrise University, we are going to grow our own replacements and strive for continued success of our customer-owners."

"My favorite CDE is Public Speaking. In middle school and early years of high school, I was terrified of answering questions in class – let alone giving a presentation and public speaking. However, now, after competing in this Career Development Event, I have taken feedback and applied changes. I now enjoy public speaking and want to become a motivational speaker in the future. The public speaking CDE has greatly impacted and improved my life since first competing. It has given me confidence, and a way to share my inner thoughts."

STATE FFA DEGREE RECIPIENTS

In 1920, the first group of State Farmers was composed of 19 young men. In 2021, 734 young men and women earned their State FFA Degree. The State FFA Degree is the highest degree the Ohio FFA Association can bestow upon its membership. The golden charm, which each degree recipient receives, is symbolic of growth and development in an FFA member's chosen occupation.

"I would like to personally thank the donors, sponsors and supporters of Ohio FFA for believing in the future of agriculture. If it weren't for your support, students like myself wouldn't have been able to find our passions within the agriculture industry. Your belief in the youth of this organization is what allows us to become the best versions of ourselves."

Olivia Coppler Carey

CHAPTER TRUST FUND PROGRAM

The Ohio FFA Foundation Chapter Trust Fund program offers an opportunity for each chapter to make a long-term investment to support future FFA member awards, scholarships and leadership activities. The following chapters have each contributed \$1,000 to the Ohio FFA Foundation Endowment. Many thanks to these chapters for their commitment to the future of Ohio FFA.

Building Communities

WITH CHAPTER GRANTS

Each year, FFA chapters across Ohio are awarded grants designed to help their local communities. In partnership with the Ohio Department of Agriculture, the Agricultural & Rural Community Outreach Program (ARCOP) provides support to build sustainable relationships and programs that will benefit Ohio communities for years to come.

Originally introduced in 2013, ARCOP grants allow FFA chapters to apply for funding that aid community development projects with long-term impacts. Participating chapters work in collaboration with other established local organizations to complete these projects. After submitting project proposals to the Ohio FFA Foundation, in 2021, 12 chapters were awarded grants to fund projects that largely taught children the origin of the food they eat and helped promote fresh, healthy foods in communities.

"FFA is an exemplary organization that gives back to the community and is grooming today's students to be future leaders of Ohio," said Ohio Department of Agriculture Director Dorothy Pelanda. "The Ohio Department of Agriculture is proud to support these outstanding FFA chapters and projects that will keep agriculture in the forefront and will help local communities across the state."
