

Leadership Workshops

THURSDAY, MAY 4, 2023

8:30 am

Welcome to Slithering

Bricker Building, Workshop A

Lindsey Krusling, Naturalist for ODNR

Alum Creek State Park

Take a dive into the world of herpetology and learn about Ohio's reptiles and amphibians. We will touch on their role in our ecosystem, conservation efforts, and proper handling techniques as we meet some of our native scaled & slimy friends.

Building CommYOUity

Bricker Building, Workshop C

Ryan Williamson, National FFA Western Region VP

As an FFA member, you've probably heard the words service and impact a time or two. But where does one even begin to make an impact? In this workshop, we will learn how to create change in our community by identifying a local need and developing an action plan.

FRIDAY, MAY 5, 2023

ImAGine Tomorrow: Exploring the Bounds of Agriscience Education (2 pm)

Bricker Building, Workshop A

Join Wilmington College and The Ohio State University agriscience education students for an interactive workshop! Attendees will discuss an ag teacher's role, play leadership games, and discover future opportunities (Plus, you'll leave with some fun goodies)! Be sure to stop by the Teach Ag booth to talk with current ag ed majors throughout the convention.

Building CommYOUity (2 pm and 3 pm)

Bricker Building, Workshop C

Ryan Williamson, National FFA Western Region VP

As an FFA member, you've probably heard the words service and impact a time or two. But where does one even begin to make an impact? In this workshop, we will learn how to create change in our community by identifying a local need and developing an action plan.

Welcome to Slithering (3 pm)
