Overview	Question 1	3	Clearly and specifically describes what the project is and how member started it. If project involves non-cash exchanges or trades they are specifically explained.	Provides a basic explanation of the project but lacks clear and specific detail of what project is and how member started it. If present non-cash or trade arrangements are mentioned but lack specific details.	Provides a vague/unclear understanding of what the project is and/or how member started it. If present, non-cash or trade arrangements are mentioned but do not provide enough detail to be clearly understood.	___
	Question 2	3	Response demonstrates a clear description of roles, responsibilities and/or management decisions made related to their SAE program. (1)	Response demonstrates a limited description of roles, responsibilities and/or management decisions made related to their SAE program. (0.5)	Response demonstrates little or no description of roles, responsibilities, and/or management decisions made related to their SAE program. (0)	
			Response demonstrates significant change or progression (growth) of roles, responsibilities and/or management decisions made over time period represented. (2)	Response demonstrates limited change or progression (growth) of roles, responsibilities and/or management decisions made over time period represented. (1.5)	Response demonstrates no change or progression (growth) of roles, responsibilities and/or management decisions made over time period represented. (1 - 0)	
	Question 3	3	Response demonstrates a complete explanation of the challenge and steps utilized to address the challenge. (1)	Response demonstrates a limited explanation of the challenge and steps utilized to address the challenge. (0.5)	Response demonstrates little or no explanation of the challenge and steps utilized to address the challenge. (0)	
			Response demonstrated candidate's complete involvement in addressing the challenge. (2)	Response demonstrated candidate's limited involvement in addressing the challenge (1.5)	Response demonstrated no involvement in addressing the challenge. (1 - 0)	
	Question 4	3	Response demonstrates a complete explanation of the single greatest risk and how they managed that risk. (1)	Response demonstrates a limited explanation the single greatest risk and how they managed that risk. (0.5)	Response demonstrates little or no explanation the single greatest risk and how they managed that risk. (0)	
			Response demonstrated candidate's complete involvement in addressing the risk. (2)	Response demonstrated candidate's limited involvement in addressing the risk (1.5)	Response demonstrated no involvement in addressing the risk. (1 - 0)

Accomplishments	Accomplishment #1	3	Response clearly identifies and describes a measurable accomplishment that influenced the growth and success of the project.	Response identifies and describes an accomplishment that influenced the growth and success of the project has little clarity, detail or measurability.	Response identifies and describes an accomplishment that had little or no influence on the growth and success of the project or provides no clarity, detail or measurability.	
	Accomplishment #2	3	Response clearly identifies and describes a measurable accomplishment that influenced the growth and success of the project.	Response identifies and describes an accomplishment that influenced the growth and success of the project has little clarity, detail or measurability.	Response identifies and describes an accomplishment that had little or no influence on the growth and success of the project or provides no clarity, detail or measurability.	
	Issue/Trend /Tech/Policy Impact	3	Response clearly identifies one issue, trend, technology or public policy that impacted the project. Describes the specific & measurable impact in detail.	Response identifies an issue, trend, technology or public policy that impacted the project. Describes the impact vaguely and/or impact description is not specifically measurable.	Response does not identify a relevant issue, trend, technology or public policy that impacted the project. Impact is poorly or not at all described or understood or had no measurable impact.
